

COSIGNER NOTICE (NEW YORK)

You agree to pay the debt identified below although you may not personally receive any property, services, or money. You may be sued for payment although the person who receives the property, services or money is able to pay. You should know that the Total of Payments listed below does not include finance charges resulting from delinquency, late charges, repossession or foreclosure costs, court costs, or attorney's fees, or other charges that may be stated in the note or contract. You will also have to pay some or all of these costs and charges, which will increase the debt, if the note or contract, the payment you are guaranteeing, requires the borrower to pay such costs and charges. If this debt is ever in default, that fact may become a part of your credit record. This notice is not the note, contract or other writing that obliges you to pay the debt. Read that writing for the exact terms of your obligation.
